One invitation. *Fifteen creators.*

15

creators on site in Montréal — every one of them published content the same day.

For CeraVe Canada's NBA House, Émane showed up as a team. Same-day Reels and TikToks, both languages, zero chasing.

Our creators know how to cover a live moment — a store opening, a launch event or a national campaign drop.

WHAT WE TAKE OFF YOUR PLATE

Campaigns, events, gifting *and UGC.*

Paid campaigns

Casting, rates, contracts, approvals and reporting for Instagram, TikTok and YouTube.

Events & activations

Confirmed guest lists with +1s, same-day content, and one contact on site.

Gifting & mailers

Opt-in lists with verified shipping details, so product goes to creators who want it and will post.

UGC production

Brand-owned content in French and English, created natively in each language.
